Do You Need to Cite That?

Is it a quotation?

Nope, totally my own words... no Word Thesaurus or anything!

Yes. Isn't research grand?

Is it a summary or paraphrase of someone else's ideas?

Nope. They're my words and my thoughts! What brilliance!

Yeah. My sources and I make a wonderful team.

No way. I'm dealing in cold, hard facts, baby!

Is it common knowledge for your audience?

No, this was new for me. Research, man. So awesome!

Yeah, they've got this.

Cite that bad boy.

No citation needed. You're cool.
